GUIDELINES FOR POSTERS

General
Abstracts for posters should be submitted by 16 April 2018.
Abstracts will be reviewed in a single-blind review process. Acceptance/rejection will be notified by 15 May 2018.
Upon acceptance, full posters should be submitted and registration should be completed by 30 June 2018.
Please note that contributed posters will only be published in the proceedings if the contributor registers for and actively participates in the congress.
Please note that posters cannot be printed at the congress venue. Poster presenters have to bring their posters with them to the congress. Congress staff will attach your posters to display boards with adhesive patches.
Abstracts (and later full posters) should be submitted via the following link: https://www.conftool.net/onehealth2018/

Poster Abstract
Poster abstracts should be no more than 500 words.

Format for Full Posters
Submit your full poster in digital format (pdf file).

Poster Size
- A0 size (841 mm x 1189 mm)
- Portrait format (vertical)

Material
We recommend you print your poster on paper, thin card or fabric.

Font Size & Lettering
- For headings use 48 to 60 point font size.
- For content use 40 to 48 point font size.
- Choose a serif-less font style (e.g. Arial)

Illustrations
Graphs, tables and photographs should be no smaller than 12 cm x 18 cm in size. Text used in illustrations should not be smaller than 28 point font size.

Colour Scheme
Keep it simple! We recommend you use a light background with dark letters.
Structure/Sections

Posters should have the following structure (i.e., include the following sections):

- Title, Author(s), Affiliation
- Introduction
- Material / Methods
- Results and Discussion
- References

Title/ Author(s), Affiliation

The title should contain **no more than 12 words**, and be the same as in the submitted abstract. The title should be placed at the top of the poster.

State your full name and the full name of your institution. You may place the logo of your institution into the title section.

Introduction

Briefly indicate the aims, problems and/or challenges of your research.

Materials and Methods | Results and Discussion

We recommend you include figures, tables and/or graphics to visualise your methods and findings.

References

1. All publications cited in the text should be presented in an alphabetical list of references at the end of the manuscript (no numbering).
2. In the text, refer to the author’s name (without initials) and year of publication.
3. If in-text reference is made to a publication written by more than two authors, the name of the first author should be followed by “et al.”. However, in the list of references all authors should be mentioned.
4. References cited together in the text should be arranged chronologically.
5. Use the following system for arranging your references:
6. Journal titles should be abbreviated.
7. Work accepted for publication, but not yet published should be referred to as “in press”.
8. References concerning unpublished data and “personal communications” should not be cited in the reference list, but may be mentioned in the text.
